Ltd., Prof. Ujjwal Kumar Chowdhury, Strategic Advisor, Adamas University and Member, Board of Director, YouthAid Foundation, Prof. (Dr.) Deependra Kumar Jha, Vice Chancellor, Adamas University. An exhibition was also organised to showcase the products made by the people coming from grass root level.

People from different states of India were present to pitch their business ideas and showcase their products and seek guidance to make their product reach out to the market.

Objective: To provide guidance and build networking among the start-ups and Entrepreneurs

Event details:

the Chief Guest Dr. Subhra Ranjan Chakrabarti, Director Operations, BIRAC, Govt. of India, Guest of Honour Mr. Sudipta Porel, Managing Director at WB Biotech Development Corporation; Joint secretary at Department of science and technology and biotechnology, Govt. of WB, Prof. (Dr.) Samit Ray, Chancellor, Adamas University,

People from different states of India were present to pitch their business ideas and showcase their products and seek guidance to make their product reach out to the market.

3 days event has been organised by E-YUVA Centre, Adamas University in association with Youth Aid Foundation. From 16th to 18th August 2022, three different event took place namely, 1st Bio-Innovators Meet with Falling Walls Lab and 6th YESummit 2022. The Inaugural Ceremony of the program was held on 16th August 2022 and the occasion was graced by the Chief Guest Dr. Subhra Ranjan Chakrabarti, Director Operations, BIRAC, Govt. of India, Guest of Honour Mr. Sudipta Porel, Managing Director at WB Biotech Development Corporation; Joint secretary at Department of science and technology and biotechnology, Govt. of WB, Presidential address was given by Prof. (Dr.) Samit Ray, Chancellor, Adamas University, Mr. Mathew Mattam, Chairperson, Youth Aid Foundation, Dr. Swapnil Sinha, Innovator & Entrepreneur, CEO IIT Guwahati BioNEST, Founder of Altanostics Labs Pvt. Ltd., Prof. Ujjwal Kumar Chowdhury, Strategic Advisor, Adamas University and Member, Board of Director, Youth Aid Foundation, Prof. (Dr.) Deependra Kumar Jha, Vice Chancellor, Adamas University. After completion of the inaugural ceremony, Mr. Mathew Mattam shared the main moto of the event that is to support the entrepreneurs and start-ups who has the courage to do something new but and lagging behind due to the absence of proper guidance and mentorship. A brief planning and schedule of the 3 day event was discussed among the participants. Prior to this an online session for 11 days was also arranged to give an idea regarding entrepreneurship, business and start-ups. That session has helped the participants know about the skills that are required to start a career in the field of entrepreneurship and what are the challenges that one will be facing during an entrepreneurial journey. The technicalities of presenting a business plan before the panel of judges was also discussed in the online orientation session. An exhibition was also organised to showcase the products made by the people coming from grass root level. That exhibition was also inaugurated by the invited guests and dignitaries.

On 17th August that is on the second day of the event the day started with a Plenary Moderation. In the panel of plenary discussion, the invited guests were Dr. Mahuya Hom Choudhury, Scientist C-Patent Information Centre, West Bengal State Council of Science & Technology, Dr. Barnali Ghatak, Managing Director, SBH Electrocloud Pvt Ltd, Mr. Manoj Sircar, Director, Development Professionals, Ms. Sujata Chatterjee, Founder and MD, Twirl.Store & President, WICCI WB Sustainable Business Council and it was moderated by Dr. Saptarshi Chatterjee, Associate Director, Incubation and Chief Coordinator, E-YUVA Centre (by BIRAC), Adamas University and Dr. Mohammad Zeeshan Ansari, Director, Mizaj Biosciences.

After this a workshop for incubators has been organised to discuss the legal and financial aspects of entrepreneurial journey. The resource persons of this discussion were Mr. Mathew Mattam, Chairperson, YouthAid Foundation, Dr Saptarshi Chatterjee, Associate Director, Incubation and Chief Coordinator, E-Yuva centre (by BIRAC), Adamas University, Dr. Swapnil Sinha, Innovator & Entrepreneur, CEO IIT Guwahati BioNEST, Founder of Altanostics Labs Pvt. Ltd., Ms. Harshada Wadekar – Mukherjee, Manager - IP, Legal & Contracts and Business Development, IKP-PRIME (IKP-Platform for Regional IP Management Ecosystem), and Dr. Mahuya Hom Choudhury, Scientist C-Patent Information Centre, West Bengal State Council of Science & Technology.

Parallel to this, another workshop for accelerator was organised and the resource person of that session was Mr. Arijit Bhattacharyya, Founder and CEO Coinnovateventures; Founder – Virtualinfocom, Founder, World Leaders Summit and Dr. Mohammad Zeeshan Ansari, Director, Miraj Biosciences. This session was attended by the participants those who already have a registered company and are looking for handholding in terms of funding and marketing strategies to reach out to a broader section of the society.

The post lunch session started with business presentation for both Incubators and Accelerators. The jury members for this session were:

1. Mr. Jayanta Chakravorty, Founder, Asentrek Global
2. Mr. Arijit Bhattacharyya, Founder and CEO Coinnovateventures; Founder – Virtualinfocom, Founder, World Leaders Summit
3. Dr. Mohammad Zeeshan Ansari, Director, Mizaj Biosciences
4. Dr. Nayan Mitra, Founder Director, Sustainable Advancements and National President, Sustainable Business Council, WICCI
5. Mr. Pravin Jadhav, Chief Executive Officer, Youth Aid Global Ltd.
6. Ms. Sonia Garcha, Trustee South Asia, IACD and Member, Board of Directors, Youth Aid Foundation
7. Adamas University Professors
8. Mr. Manoj Sircar, Director, Development Professionals

Participants from various states of India have presented their business ideas from the categories of agriculture, Information Technology, Medical Science, Food and beverages, Health and hygiene and few more categories related to such topics.

Another session for business pitching was organised for the category of Falling Walls Lab and Bio-Innovators. The winner under this category was sponsored with a Ticket to Berlin for presenting their ideas on an international platform at Falling Walls Lab. The jury members for judging the business ideas were:

1. Dr. Amalesh Mukhopadhyay, Former Scientist G, DST, Govt. of India, Advisor (R&D), IIT D Innovation & R&D Expert.
2. Prof.(Dr.) Naveen Das, Pro Vice Chancellor (Training, Placement and Corporate Relations) and Dean SoBE
3. Dr. Swapnil Sinha, Innovator & Entrepreneur, CEO IIT Guwahati BioNEST, Founder of Altanostics Labs Pvt. Ltd.
4. Ms. Harshada Wadekar – Mukherjee, Manager - IP, Legal & Contracts and Business Development, IKP-PRIME (IKP-Platform for Regional IP Management Ecosystem)
5. Dr. Susil Kumar Mitra, Ex- Deputy Controller of Patents & Designs at the Patent Office, Govt. of India.
6. Ms. Sujata Chatterjee, Founder and MD, Twirl.Store & President, WICCI WB Sustainable Business Council.

The overall program was a great success and the efforts of all the entrepreneurs were appreciated.
